

# After School Sporting Programs

Maharishi School is offering our students the opportunity to participate in after-school activities for up to two days per week. One is the Sporting Schools Program while the other is offered to our school in partnership with Keon Park Tennis Club.

As well as encouraging our students to be involved in more physical activity, the school is attempting to assist parents who would appreciate an after-school program that gives you greater flexibility with picking up your children later on two nights per week.
